This young bull is a son of Killearn Norseman 5th, the sire purchased by Elcona Farms when the entire T. Dorsey Jones herd was acquired. This son of Norseman was bred by Claude Gallinger of Edmonton, Alberta, who has established his herd as the premier source of good bulls in Canada. Norseman was reserve supreme champion at the 1943 Perth show and sale and Mr. Gallinger paid 1000 guineas for him. In the May, 1945, Gallinger Sale, fourteen sons of Norseman, including Killearn Norseman 5th, averaged \$1771.00. This calf's dam is one of the best cows in the Jones herd and is by Larbert Templar, noted sire in the Douglas herd.

In this pedigree the sire is a grandson and the dam a daughter of Browndale Star, famous bull in the T. Dorsey Jones herd and one of the team that produced the "perfect nick". Raveni Lovely 26th is bred to Elcona Grand Leader, son of Edellyn Royal Leader 22D. This young bull has been retained for service in the Elcona herd. His sire is by Mr. Wilson's All-American Favorite, Edellyn Royal Leader, and out of a daughter of Calrossie Mercury, a combination of blood lines that has set up a record in both show winnings and sale values that has never been equalled in Shorthorn history on this continent. Elcona Grand Leader's dam, Broadfields Vanity 2d, topped the October, 1944, Indiana State Sale at \$1,000.000. She is a daughter of Divide Grand Duke, \$4,000.00 head of the Broadfields Farm herd and her dam is a granddaughter of Calrossie Command by Calrossie Control. The third sire is a son of Control, and the fourth is by Collynie Royal Leader.

This is a good headed, short legged, straight smooth top line, deeply quar-
tered bull. He does his famous ancestors credit. His dam is from a long line of strong
producers. Old enough for service and will not. Is in high flesh as I had not intend-
ed to sell him at this time. If you are looking for a herd sire with classiness and
quality you will want to look him over.

The Swing is to **SHORTHORNS**

1. Shorthorns this year enjoyed their greatest year in steer triumphs in interbreed competition throughout the nation.

2. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale.

3. The average price for Shorthorns at auction in 1947 went up 24 percent.

4. New members in the American Shorthorn Breeders' Association hit a new all-time high of 2,333 in 1947. In six years Association membership has doubled over the entire number for all previous time up to that date.

On the preceding page you have the great record, made by Shorthorn steers, at the last three International livestock shows.

The above picture shows a group of wonderful Shorthorn calves on Robinwood Farms. If you will check the breeding of the sale cattle, you will find that the 4-H calves, to be sold by the Northern Indiana Shorthorn Breeders Association, are calves from just such herds. Calves sired by the best bulls in Indiana and Ohio. There will be twenty-five of these calves suitable for 4-H work. There is no doubt that in this group will be found calves of championship quality. From our previous sales came the Grand Champion steers of Huntington and Noble Counties. A good calf—well bred—well fed—equals a winner. **SHORTHORNS ARE WINNERS!**

To All Lovers of Shorthorns

You have just looked through the Catalog of The Northern Indiana Shorthorn Breeders Association. We have featured in the catalog pictures of the great sires in use in Indiana. Pictures of grandsires of animals in this sale. Where can you go and find such an array of sires? Where can you find cattle with greater bulls as ancestors? We invite you, now, to come and take advantage of the best blood in the United States and Canada.

If you know a club boy bring him along. Twenty-five steers sired by these great bulls will sell at 10:30 o'clock in the morning. Our cattlemen of the future are the Club Boys of today. Sponsor some good boy in your community and help us in our effort to put good Shorthorn steers in their hands.
